Student Services

Student Counselling:

The service is intended to offer counselling to students enrolled in the English language programme and seeks to render professional assistance to students struggling with a plethora of challenges in their personal lifestyles and studies.

Personal Mentors:

The 'Buddy Network' project was launched in 2015. The 'buddies' give international students assistance in their integration into the university environment and help with practical matters such as applying residence permit and finding accommodation.

Vibrant Student Life

International Student Ambassadors:

International Student Ambassadors (ISAs) are current students who act as a link between the university and the outside community. They use their own experiences to give people interested in university life an idea of what it is like to be a student.

Student services

Sport facilities

International students can pursue a lot of sports while studying at the University of Pécs. Besides, you are free to use the various sports facilities of the UP, e.g. indoor and outdoor swimming pool, gym, sport halls.

The Dancing University

This is a unique initiative in Hungarian Higher Education. Any student, lecturer or staff member of the UP is eligible to participate in a dancing courses free of charge
