Jean Monnet Actions – European Union studies

Defining European Union studies

"European Union studies comprises the study of Europe in its entirety, with a particular emphasis on the EU dimension, from an internal but also from a global perspective"

Enhancing awareness of the European Union:

- **European citizenship** and values
- Role of the **EU in a globalised world**
- Facilitating future engagement as well as **people-to-people dialogue**.
- Vector of **public diplomacy in third countries**, promoting **EU values** and enhancing the visibility of the European Union
- Scope of EU studies may vary so long as an **EU angle is explored**.
