

20 years of experience of linking international development and educational dialogue

Our work in numbers

- 3 countries: focus on DRC; but schools and orphanages are also co-funded in Tanzania and Ethiopia (before conflict escalated)
- 20 years of experience on the ground
- 10 000 supporters
- 1013 volunteers
- 31 orphans raised in our orphanage
- 152 projects
- 15 000 children's education financed through our Student and Orphan Support Program

What we do

What we do in Africa

- Education
- Health care
- Social care
- Humanitarian aid

What we do in Hungary

- Fundraising
- Cultural events
- Advocacy
- Global education

Educational projects

- College Othniel in Kinshasa:
 - 700 students from nursery to secondary school
 - La Providence orphanage
 - „virtual adoption” – children support programme
 - school building improvements: construction of an entire second floor for vocational training courses
 - volunteer programme at College Othniel
- School building and school meal programme in Goma, North Kivu
- 15 students financially supported during their university studies in their home countries
- New focus on cooperation with universities

Training of agricultural extension specialists in Uganda – Kyambogo University

- In collaboration with the Ministry of Agriculture of Hungary
- Project purpose: to provide a complex training - widening the knowledge of local agricultural advisors
- 9 weeks-long training, theoretical and practical knowledge, field visits
- Results:
 - Ugandan teachers also involved in level 1
 - level 2: train the trainers
 - 3 days course for local fellows
