

ASIAN GRADUATES' CAREER PATH

after their Studies in Hungary

RESEARCH OBJECTIVES

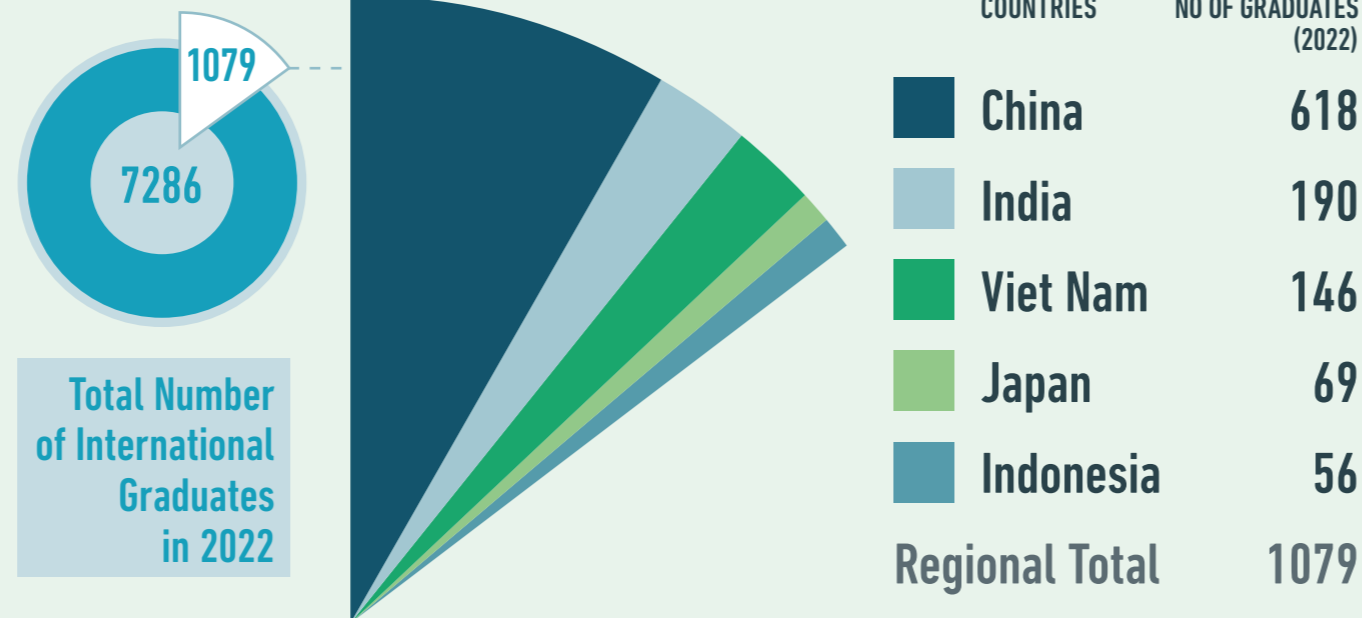

- To explore the international students' post-study careers
- To describe the career outcomes
- To describe the personal and professional relationships with their international/Hungarian fellows
- To receive feedback on implementation of the scholarship scheme

RESEARCH METHOD

- Quantitative, online questionnaire: Pilot survey among international students who completed their studies in Hungary, 2020 – adaptation of the graduate tracking survey (OH, 2019)
- Online questionnaire among international graduates who completed their studies under **STIPENDIUM HUNGARICUM (SH, 2022)**

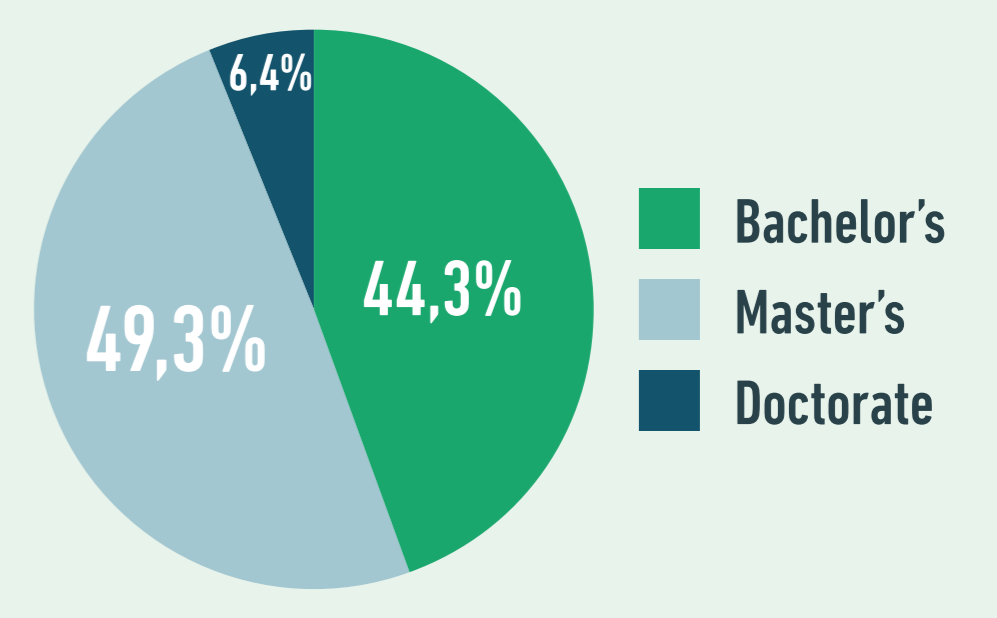

Number of International Graduates at Hungarian Universities by Major Countries of Origin from the Asia-Pacific Region, 2022

(Source: Hungarian Higher Education Information System)

International Graduates from the Asia-Pacific Region at Hungarian Universities by Type of Degree, 2022

(Source: Hungarian Higher Education Information System)

ASIAN GRADUATES' CAREER PATH: MAIN FINDINGS

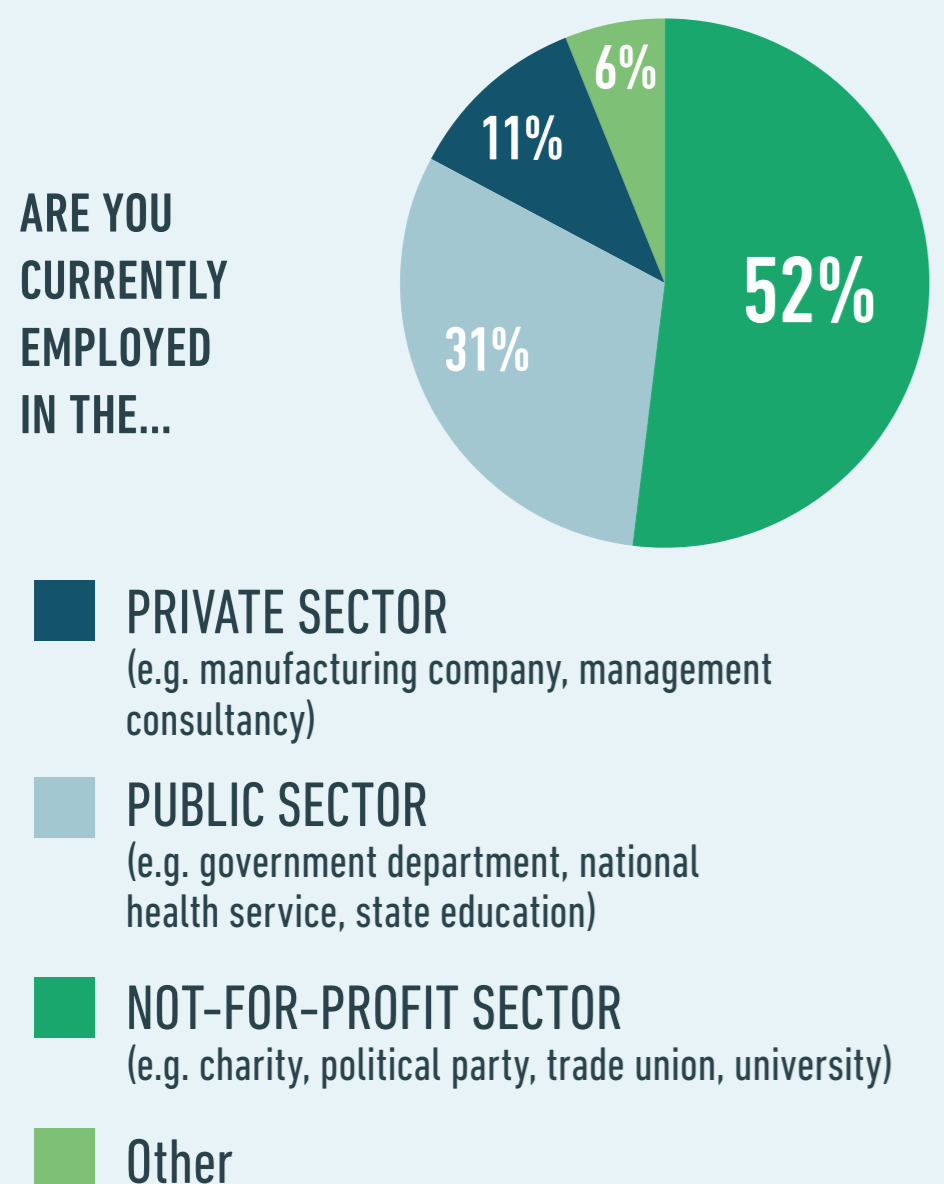

Work- and Study-related activities after Completing the Study Program in Hungary (SH GTS 2022, n=425)

AFTER GRADUATION
