ERASMUS+: SPORT

Brussels, 31 January 2017

Session 2 – Submission and
Selection Procedure

Luciano Di Fonzo

#sport infoday

Overview of novelties

- Only one selection round
- Deadline – 6 April 2017, 12 pm (midday) CET (Brussels time)
- Events for the implementation of the European Week of Sport
- Better definition and clear division of activities between small and collaborative partnerships
- New financing method – small and collaborative partnerships

Not-for-profit European Sport Events

Indicative allocation for categories

- Approximately 30% of the budget dedicated to the implementation of the European Week of Sport (4 projects, max 300,000 EUR)
- Approximately 70% of the budget dedicated to all other priorities (8 projects, max 500,000 EUR)

Definitions

- **Small Collaborative Partnerships**

To develop and reinforce networks, increase capacity of operate at transnational level, exchange of good practices, confront ideas and methods in different areas relating to sport and physical activities

- **Collaborative Partnerships**

To develop, transfer and/or implement innovative outputs, engage into intensive dissemination and exploitation activities of existing and newly products or innovative ideas in different areas relating to sport and physical activities

New financing method

New budget categories for Small and Collaborative Partnerships

- Fixed amount per month per applicant and partner organisation (Project management and implementation)
- Fixed amount per participant and per meeting according to travel distance (Transnational project meetings)
- Fixed amount per working day for staff for the production of intellectual outputs according to profile and country (Intellectual outputs - only for Collaborative Partnerships)
- Fixed amount per local and international participant (Multiplier sport events - only for Collaborative Partnerships)
- Exceptional costs (real costs)

New financing method

Simplification for Small and Collaborative Partnerships

- Simplified budget application form (XL file)
- Project co-financing included in the calculation of EU grant
- No financial audit to be provided
- No financial capacity check for small collaborative partnerships
