1. The Scholarship Programme for Christian Young People

1.1. Mission of the Programme

Hungary provides high quality education in the heart of Europe. Today, there is a growing demand of international students to study in Hungary. Besides the quality of education and degrees recognised throughout Europe and beyond, students are attracted by the affordable living costs with an extremely favourable cost-to-value ratio, a safe and friendly living environment with convenient public transportation, the central location of the country in Europe, and the unspoiled natural beauties combined with a 2000 year-old, rich Hungarian history and several UNESCO World Heritage Sites. Hungary is also within the top countries with the highest number of scientific Nobel Prize Winners per capita, and a numerous scientific inventions from Vitamin C to Rubik's cube and so on.

The core mission of the Scholarship Programme for Christian Young People is to provide the possibility of studying in Hungary for young Christian students living in the crisis regions of the world and/or being threatened in their country because of their faith. After completing their studies, the scholarship holders will return to help their home community with their gained knowledge, and they will participate in the reconstruction of war-destroyed countries and contribute to improvement of social situation and preservation of culture of Christian communities.

The Programme is managed by the State Secretariat for the Aid of Persecuted Christians and for the Hungary Helps Programme and is organized by Tempus Public Foundation.

1.2. Available Scholarship Types

1.2.1. Study Levels

Scholarships are available for bachelor's, master's, one-tier master's and doctoral programmes.

Available Scholarship Types		Duration	Qualifications at the end of programme	Available modes study
Degree programmes	Bachelor programmes	2-4 years	BA or BSc degree	full degree
	Master programmes	1.5–2 years	MA or MSc degree	full degree
	One-tier master programmes	5–6 years	MA or MSc degree	full degree
	Doctoral programmes	2+2 years	doctoral degree	full degree

Note about one-tier master's programmes:

In the Hungarian education system, one-tier master's programmes cover both the bachelor and the master level of studies; therefore it is an undivided master programme that results in a master degree. These one-tier programmes are offered in specific study fields such as general medicine, pharmacy, dentistry, architecture, law, veterinary surgery, forestry engineering, etc.

Note about doctoral programmes:

In Hungary, the duration of doctoral programmes is 8 semesters. Doctoral programmes are divided into two different phases: the first phase (4 semesters) is for professional training and research, while the second phase (4 semesters) is for research and dissertation. At the end of the first 4 semesters, doctoral students are obliged to take a complex exam, where the educational and research progress of the student is evaluated. Doctoral students can only continue with the second phase of their studies upon the successful completion of the complex exam. The amount of the monthly stipend is different in the two phases of doctoral programmes. Please see section 1.3 about financial details and section 3.2.2. about the details of application for doctoral programmes.

1.3. Provisions Covered by the Scholarship

- **Tuition-free education**
 - exemption from the payment of tuition fee
- **Monthly stipend**
 - **bachelor's, master's and one-tier master's level:** monthly amount of HUF 128,520 (cca. EUR 400) *contribution to the living expenses* in Hungary, for 12 months a year, until the completion of studies
 - **doctoral level:** the monthly amount of scholarship is HUF 140,000 (cca EUR 450) for the first phase of education (4 semesters) and HUF 180,000 (cca EUR 570) for the second phase (4 semesters) - for 12 months a year, until completion of studies.
- **Accommodation**
 - free dormitory place *or a contribution* of HUF 40,000 to accommodation costs for the whole duration of the scholarship period (Please note that if the student does not live in the dormitory, then the HUF 40 000/month (cca. EUR 125) is only a contribution to rental costs, and in bigger cities – especially in the capital city – this contribution would not cover the full amount of rental costs.)
- **Reimbursement of travel costs**
 - HUF 200,000 /academic year (cca. EUR 640)
- **Medical insurance**
 - health care services according to the relevant Hungarian legislation (Act LXXX of 1997, national health insurance card) and supplementary medical insurance for up to HUF 65,000 (cca. EUR 205) a year/person

Please bear in mind that these provisions are **only a contribution** to the living expenses of the Scholarship Holders. It means that the monthly stipend **does not fully cover all the costs of living**,

and therefore, scholarship holders might need to add their own financial resources in order to cover all living expenses in Hungary. All applicants are highly advised to check the expected living expenses both in Hungary and in the city that they wish to live in before applying; please do check our Cost of Living Calculator at: <http://www.studyinhungary.hu/living-in-hungary/menu/your-costs-of-living.html>

2. Eligibility

2.1. Eligible Participating Countries, available study levels, preferred study fields

The Scholarship Programme for Christian Young People is based on the cooperation between the State Secretariat for the Aid of Persecuted Christians and for the Hungary Helps Programme and Churches that pursue humanitarian activities in crisis regions. **List of churches** can be found in Annex 1.

For the 2020/21 academic year, the scholarship is announced for the citizens of the following **countries**: Egypt, Lebanese Republic, Republic of Iraq, State of Israel, Palestine, Islamic Republic of Pakistan, Syrian Arab Republic, Republic of Kenya, Federal Democratic Republic of Ethiopia, Republic of Armenia and Nigeria.

Please note that this list can be subject to change as new partner churches, countries might join the programme.

Degree programmes at bachelor level and one tier master's programmes are open to all applicants, while master's and doctoral programmes are open to those applicants who have completed their bachelor/master studies in the frame of the Scholarship Programme for Christian Young People in Hungary or are registered for the last semester of their studies in the 2019/2020 academic year as Scholarship for Christian Young People scholarship holders.

Local Churches are to verify and prove that the applicant belongs to their religious community. Only those applicants can be awarded with the scholarship who have the recommendation from the Local Church, and their recommendation is approved by the State Secretariat for the Aid of Persecuted Christians and for the Hungary Helps Programme.

As part of the selection procedure **Local Churches** of eligible sending countries have the right to **rank applicants**.

In the selection procedure applications will be ranked according to the following priority order of available study fields:

- 1: agriculture, economic studies, medical and health sciences, engineering science
- 2: computer science, law and administration, political science, teacher training

3: natural sciences

4: arts, arts and humanities, art mediation, social sciences, sport sciences

Scholarship holders must have the **relevant language and education certificates**, degrees requested by the host university of the selected degree programme.

The scholarship holders commit themselves in the **scholarship agreement** that after the scholarship agreement ends, they will return to their home countries, if the local security and political conditions allow it so. The **student contract** is signed by the Host Institution and the scholarship holder for the duration of the scholarship period after the arrival of the scholarship holder.

2.2 Non-eligibility

Applications will not be considered in the following cases:

- a.) Hungarian citizens (including those with dual citizenships), persons granted a refugee status (“menekült”), persons enjoying temporary protection (“menekültes”), persons admitted for subsidiary protection (“oltalmazott”) and persons granted humanitarian protection (“befogadott”),
Please note: this requirement is not only for applicants but for Scholarship Holders as well; it means that, e.g., if you obtain a Hungarian citizenship or a refugee status during your studies in Hungary, your scholarship holder status will be terminated automatically.
- b.) Applicants born after 31 August 2002 (= applicants under 18 years old as of 31 August 2020).
- c.) Those applicants who are registered self-financed / fee-paying students of a Hungarian higher education institution at the time of the application deadline.
- d.) Those former SCY Scholarship Holders who were awarded scholarships for full degree studies and who:
 - are now re-applying for full degree in the same cycle of education (non-degree studies, bachelor’s, master’s, one-tier master’s), therefore, SCY Scholarship Holders can apply for the programme to continue their studies at a different cycle of education, e.g. bachelor scholarship holders can apply for master studies;
 - or who have postponed the starting date of their scholarship studies and did not withdraw their scholarship before the current application deadline.
- e.) Master’s and doctoral scholarships are available only for those who have completed their bachelor/master’s studies in the frame of the Scholarship Programme for Christian Young People in Hungary or are registered for the last semester of their studies in the 2019/2020 academic year as Scholarship for Christian Young People scholarship holders.

2.3. Available Host Institutions and Study Programmes

The lists of available study programmes and Host Institutions are accessible in the online application system (<https://apply.scyp.hu/>). Please note that only these study programmes can be applied for.

The full list of available study programmes is accessible in Annex 2.

2.4. Order of Selected Study Programmes

In addition to the first choice of study programme, there is an opportunity to apply for an additional, second study programme. Therefore, each applicant can apply for **up to TWO different study programmes at the same study level, in order of preference**. These two study programmes can be both at the same Host Institution and at different Host Institutions; it is the applicants' decision.

The order of preference is essential. During the application process, the first selection and examination process will be conducted for the study programmes selected as the first choices of the applicants. The first priorities will be considered first and then, **only the remaining free places will be filled with those applicants who are not approved for their first choice of programmes**. In this way, the chances of receiving the scholarship are relatively higher for the study programmes selected as first choices because there are more free places at that time.

Please note that after submitting the application, the selected programmes and the order of preference cannot be changed by the applicant. We strongly advise all applicants to carefully check the minimum entry requirements of the study programmes and take time to decide on the order of the two programme preferences. We also strongly encourage the applicants to increase their chances of receiving the scholarship by applying for not only one, but two study programmes in total. Please note that for the same study level, the scholarship can only be awarded once.

2.5. Language of Study Programmes

Applicants are eligible to apply only if they meet the minimum language criteria set by the chosen host higher education institution. Please visit the online application surface (<https://apply.scyp.hu/>) to see the exact language criteria for each study programme. In general: applicants are required to have a level of English proficiency required by the Host Institution.

2.6. Preparatory Courses

Besides full degree programmes, full-time non-degree programmes are also available within the programme in certain cases, for up to one year. **Please read this section if you are applying for study programmes in the field of Engineering Science.**

Preparatory courses are non-degree programmes before starting a bachelor's or master's level degree programme at a Host Institution (both with the scholarship).

In case of English language full degree study programmes in the field of Engineering Science, during the institutional entrance examination process, and based on the professional evaluation of the applicant, the host institutions have the right to make the decision to admit the applicant for a preparatory course (up to 1 year) before they can actually start their full degree programmes. The preparatory course is only available before bachelor and master level programmes in the field of Engineering Science. Applicants therefore cannot directly apply for preparatory courses taught in English language; it is always the host institutions' decision whether a professional preparation year is necessary or not.

- you provide precise contact details and make sure your e-mail address (or any other information) is not mistyped on your application form because all information – including the selection results – will be sent there,

TEMPUS PUBLIC FOUNDATION | SCHOLARSHIP PROGRAMME FOR CHRISTIAN YOUNG PEOPLE

3.5. Selection Procedure

3.5.1. First round of selection: technical check and the approval of Letter of Recommendation

Applications that are only saved in the online system but not submitted, will be automatically rejected. The applications successfully submitted in Tempus Public Foundation's online application system are checked first. This is called a technical check and it is done by Tempus Public Foundation. In this step, we check some of the eligibility criteria; for example the age, citizenship, the previous scholarships, and check if the applicant has applied for a scholarship type and/or study programme that is available within the framework of the programme. Also, we will formally check if the required documents are uploaded in the application system or not, and check if the Statement for Application is accepted in the system. However, it is the Host Institution that checks whether the uploaded files and their quality can be accepted and whether these documents meet their entry requirements or not.

Applicants will be automatically rejected during the technical check if they:

- do not successfully submit their application in the online system until the 31st January 2020;
- do not successfully submit a Letter of Recommendation issued by their respective Church
- Letter of Recommendation issued by their respective Church is not accepted by the State Secretariat for the Aid of Persecuted Christians and Hungary Helps Programme;
- are Hungarian citizens, hold a Hungarian dual citizenship or they are persons granted a refugee status, enjoying temporary protection, admitted for subsidiary protection or granted humanitarian protection;
- have a citizenship that is different from the sending country/territory they apply through;
- were born after 31 August 2002;
- do not accept the Statement for Application (please see **Annex 3** for sample) in the online system; or
- they are former SCY or Stipendium Hungaricum Scholarship Holders or self-financed students at a Hungarian higher education institution in cases described in Section 2.2. about non-eligibility.

After the technical check, the Letters of Recommendations will be approved by the State Secretariat for the Aid of Persecuted Christians and for the Hungary Helps Programme. Only applicants with an approved Letter of Recommendation will be sent to partner Local Churches for review and ranking.

After the selection decision of the Local Churches a nomination list, including a reserve list will be issued and forwarded to Tempus Public Foundation until 31st March 2020. Only applications nominated by Local Churches will be sent to the Host Institutions for institutional evaluation and admission procedure.

3.5.2. Second round of selection: the institutional evaluation

The professional evaluation of the applications – including the reserve list – is done by the Host Institutions before the entrance examinations. The institution will also run a formal check first to see if all the documents submitted by the applicants meet the requirements of the call for application and the minimum entry requirements of the selected study programme.

Applicants with eligible, valid, formally correct application that meets the minimum entry requirements can proceed to the institutional entrance examinations. Each applicant can participate in up to two institutional entrance examinations – in accordance with their submitted applications.

The exact date and method of the entrance examination varies by institutions. **Each applicant will be individually informed about further details (e.g. date of examination) directly by their selected Host Institution(s).**

Depending on the Host Institutions' schedule of examinations, it is possible that there will be no entrance examinations for the second study programme selected by the applicant – in case the applicant is already approved for the scholarship for the first selected study programme.

Applicants are evaluated on a 100 point scale. The final examination results and the examination points given by the host institution are then forwarded to Tempus Public Foundation.

Important note: the required minimum to be achieved is 56 points (on a 100 point scale). No applicants shall receive a scholarship offer with an examination result below 56 points.

3.5.3. Final decision on scholarship holders

Tempus Public Foundation is responsible for the allocation of the admitted applicants. The principles are in the following priority order:

1. quotas defined by State Secretariat for the Aid of Persecuted Christians and for the Hungary Helps Programme based upon the cooperation with the responsible Local Churches
2. the capacity (minimum and maximum number of available places) of the university's specific study programme,
3. the preference order of the selected study programmes on the application form (please carefully read Section 2.4 about this),
4. the examination results (maximum 100 points) given by the Host Institutions and the ranking order of the applicants on the Local Church partners' nomination lists
5. priority of study fields and ranking of nomination

Based on the above mentioned criteria, a list of recommended scholarship holders will be compiled by Tempus Public Foundation and sent to the State Secretariat for the Aid of Persecuted Christians and for the Hungary Helps Programme. As the next step, the State Secretariat will issue the complete list of recommended scholarship holders, and forward it for final decision to the Minister responsible for Higher Education in Hungary.

The final decision on scholarship holders is made by the Minister responsible for Higher Education in Hungary.

Applicants can expect to be informed about the final result of application after 1st July 2020.

3.6. Acceptance of the Scholarship

Those who do not accept their scholarship until the deadlines below are automatically considered withdrawn from the scholarship.

Applicants who are awarded the scholarship shall not receive a Scholarship Holder status if they:

- withdraw from the scholarship in writing (sent to both Tempus Public Foundation and the Host Institution) or via the application system;
- fail to upload their missing application documents until 1 August 2020;
- fail to accept their scholarship until the given deadline;
- do not hold a secondary school graduation certificate until 1 August 2020;
- withdraw their data protection (GDPR) consents
- provided false information during the application process

3.6.1. Acceptance of Scholarship for Approved Scholarship Holders

In order to gain a Scholarship Holder status, approved applicants must accept their scholarship and consent to the Rules and Regulations of the programme in the online application system **within two weeks after receiving the notification e-mail about the application decision, but no later than 1 August 2020!**

3.6.2. Acceptance of Scholarship for Conditionally Approved Scholarship Holders

If the applicant is conditionally approved because they have any missing documents that could be uploaded after the application deadline, all these missing documents need to be uploaded via the online system immediately after receiving all documents (and after receiving the notification about the conditional status), and no later than 1 August 2020.

Please see details in Section 3.3. about missing documents.

The conditional scholarship holders are only able to accept their scholarship in the online system if all missing documents are uploaded first!

After uploading all missing documents, conditionally approved Scholarship Holders must accept their scholarship and consent to the [Rules and Regulations](#) of the programme in the online application system **within two weeks after uploading the missing documents, but no later than 1 August 2020!**

4. Studying in Hungary

4.1. Visa Applications

You are requested to **start your visa application process immediately** after receiving the positive decision about the scholarship. Officially, it may take 30 days until a visa is issued. In order to apply for visa to Hungary, you need to contact the competent consular office. For more information please, contact the website of the Hungarian Ministry of Foreign Affairs and Trade (www.kormany.hu/en/ministry-of-foreign-affairs-and-trade/missions and <http://konzulizsolgalat.kormany.hu/en>) and the National Directorate-general for Aliens Policing (<http://oif.gov.hu/index.php?lang=en>).

Please note that the citizens of some countries do not need a visa to enter Hungary due **to the Visa Waiver Agreements**, at the time of writing, these countries include: Israel **from the list of eligible countries only**. Please make sure to visit the Consular Services website for up to date information about your country: <http://konzulizsolgalat.kormany.hu/visa-waiver-agreements>.

Please note that the scholarship holder status does not automatically guarantee a visa.

4.2. Arrival and Enrolment

We strongly recommend applicants to visit our Study in Hungary website (<http://studyinhungary.hu/>) for detailed information about life and education in Hungary. Please also check the expected living expenses with our [Cost of Living Calculator](#).

Scholarship Holders are required to inform the coordinator of the Hungarian higher education institution about their expected date of arrival 30 – but not less than 15 days before arrival.

Successful applicants are expected to make their own travel arrangements to Hungary. The scholarship covers HUF 200 000/academic year as travel allowance, which is provided by the Host Institution after the student has enrolled and signed the scholarship holder agreement. No visa, administrative services or additional contribution to family members or accompanying persons is provided by the scholarship programme.

Scholarship Holders are expected to obtain their visa and arrive to Hungary no later than 30th September 2020 (for study programmes starting in the Autumn Semester) – or the date set by the Host Institutions.

The applicant who is granted the scholarship must enrol to the Host Institution in the semester in which he was granted admission. If s/he does not enrol within one month after the beginning of the academic year/semester or the deadline provided by the Host Institution, s/he will be automatically excluded from the scholarship programme.

In principle, it is **not possible to postpone the start of the scholarship studies** to another semester or academic year – except for very special, unforeseeable, vis maior cases described in the Rules and Regulations, with the special approval of Tempus Public Foundation. Therefore, in principle if the Scholarship Holder does not enrol until 30 September 2020 – or the date set by the Host Institutions, they will be automatically excluded from the scholarship programme.

Please note that the Host Institutions have the right to require the students to take a medical test at the time of enrolment, however it is free of charge for the Scholarship Holders.

Please visit the Rules and Regulations of the programme for details about the acceptance of the scholarship, enrolment and postponement procedures (https://tka.hu/docs/palyazatok/scy_rules_regulations_190228_en.pdf).

4.3. Rights and Obligations

4.3.1 Rules and Regulations, GDPR and Student Contract

All Scholarship Holders are bound by the [Rules and Regulations](#) of the Scholarship Programme. Please make sure to read it carefully (see also Annex 5).

Scholarship Holders are required to sign a **scholarship contract** with the Host Institution including study-related details and the rights and obligations of the Scholarship Holders (see sample on our website)..

The Scholarship for Christian Young People stipendium is a contribution to the living costs of the Scholarship Holder only, therefore – within the framework of the programme – visa-related assistance, additional allowance and administrative services are not provided for any accompanying people or family members. The legal entity of the scholarship contract is exclusively the Scholarship Holder and the Host Institution.

The Scholarship Holders are expected to follow the regulations of the Host Institution and continue their studies in good faith, to the best of their abilities, in order to meet the academic requirements of the study programme and thus finish the programme successfully. By accepting the scholarship offer, the Scholarship Holders agree to participate in the alumni system of the programme that

supports the maintenance of relationships with the Scholarship Holders and facilitates the flow of information – such as the alumni website, alumni events and surveys about the satisfaction of students, career monitoring and the evaluation of research activities.

Please note that the scholarship holder students generally complete 30 credits in a semester, therefore we suggest to register courses with at least 30 credits in total. Please also note that if the scholarship holder do not complete at least 18 credits on the average during the last two semesters with an active student status (in total 36 credits), their scholarship status shall be terminated.

Please note that the Rules and Regulations of the Scholarship Programme for Christian Young People can be subject to change, and the Scholarship Holders are always bound by the prevailing regulations at any given time.

Please note that in accordance with the General Data Protection Regulation (GDPR) in European Union law, all applicants need to give consents regarding data protection and accept the Privacy Policy (see Annex 4 in order to be able to submit an application. These consents appear in the online application system after registration.

4.3.2. Staying in Hungary

Scholarship Holders are obliged to live and study in Hungary, therefore they are not allowed to live habitually in any other country during the study period – except for the cases when their absence is necessary prerequisite of fulfilling the requirements of the study programme (e.g.: mandatory internship period abroad) and is approved and validated by their host institution – otherwise their scholarship holder status will be terminated. The student must register in person at the international office of the Host Institution at the beginning of each semester. The Scholarship Holders are obliged to inform their host institution if they leave Hungary during the study period for more than 10 days in a row.

4.3.3. Other Scholarships and Double Financing

The Scholarship for Christian Young People entitles Scholarship Holders to carry out studies in Hungary, therefore the Scholarship Holders are not entitled to use financial support for getting enrolled in full time or partial (exchange) study programmes outside Hungary (e.g. Erasmus +, CEEPUS, Campus Mundi). They can only participate in conferences or research activities that are professionally relevant for their studies. These activities should not exceed 10 days, or in any way prevent the student from habitually living in Hungary.

Applicants are also not eligible to receive the scholarship in case they have another concurrent scholarship from the Hungarian central budget for studies in Hungary. If the Scholarship Holder was awarded more than one scholarship, they has to choose one of the scholarships and withdraw from the other ones. However, the Host Institutions are allowed to provide additional financial support for the students on a social, performance-related or other basis.

In accordance with the regulations of Government Decree 51/2007. (III. 26.), scholarship holders are entitled to be awarded with the National Higher Education Scholarship (“nemzeti felsőoktatási ösztöndíj”).

At the end of their study period or academic year as Scholarship Holders, students are obliged to submit a Student Report to Tempus Public Foundation until the given deadline.

4.3.4. Termination of Scholarship Status

The details and cases when the scholarship status is terminated are listed in the [Rules and Regulations](#) of the programme. It is important to highlight that— after the consultation with Tempus Public Foundation and in case the university does not have other interior regulations about this – the Host Institution has the right to terminate the scholarship status of the student **if the students does not complete at least 18 credits on the average during the last two semesters (in total 36 credits)** when they had an active student status.

Besides, the scholarship status of the scholarship holder is terminated when

- their student status is terminated by the Host Institution,
- the scholarship holder withdraws the scholarship in a written form (sent to both Tempus Public Foundation and the Host Institution),
- if the scholarship holder student does not complete at least 18 credits on the average of the last two semesters with an active student status
- the scholarship holder has obtained their degrees (or completed their non-degree studies) at the study programme supported by the scholarship,
- the scholarship holder has used up all their scholarship semesters awarded to them and have not handed in an extension request or when they are not entitled for extension,
- the scholarship holder does not live in Hungary habitually and the Host Institution terminates their scholarship status for this reason,
- do not arrive and enrol until the registration date specified by the Host Institution (except cases described in the Rules and Regulations),
- the scholarship holder receives Hungarian citizenship (including those with dual citizenships), granted a refugee status (“menekült”), temporary protection (“menedékes”) or admitted for subsidiary protection (“oltalmazott”) or granted humanitarian protection (“befogadott”),
- in other cases described in the Rules and Regulations of the programme in effect.
