Tempus Public Foundation (hereunder: Public Foundation) has issued the following regulations according to the authorisation by the 120/2017 (VI.1.) Government Decree which was modified by 227/2018 (XII.5) decree on Scholarship for Christian Young People (hereunder: Gov. Decree SCY), in order to implement Scholarship programme for Christian Young People (hereunder: SCY programme).

I. General introduction

The Scholarship for Christian Young People is a scholarship programme, founded by the Government of Hungary in the spirit of its solidarity policy towards persecuted Christian minorities. The programme was brought to life by 120/2017 (VI.1.) Government Decree and modified by 227/2018 (XII.5.) Government Decree, and is managed by the minister leading the Prime Minister’s Office and organized by the Tempus Public Foundation.

The core mission of the Scholarship Programme for Christian Young People is to provide the possibility of studying in Hungary for young Christian students living in the crisis regions of the world and/or being threatened in their country because of their faith. After completing their studies, the scholarship holders will return to help their home community with their gained knowledge, and they will participate in the reconstruction of war-destroyed countries and contribute to improvement of social situation and preservation of culture of Christian communities.

I.1. The objective and the scope of the regulations

The objective of the regulations is – as a complement to the Gov. Decree SCY – to define the operation of the programme and the rules indispensable to the operation of the programme. Based on the suggestions of the minister responsible for the aid for persecuted Christians and Hungary Helps programme, the rules and regulations is approved by the Minister of Education.

I.2. References

Concerning the areas not covered by the regulations, the norms are the laws, specifically the Act on National Higher Education 204/2011 (hereunder: ANHE), 120/2017 (VI.1.) Government Decree on Scholarship for Christian Young People, Government Decree 51/2007 (26.03) on the provisions to and the fees payable by students in higher education, as well as the Articles of Association, the Organizational and Operational Regulations, the other rules and the director’s instructions of Tempus Public Foundation, specifically including: the ethical code, the records management rules, the data protection rules, the complaints handling rules, the director’s instructions on handling exceptions, the audit manual, the order of providing information related to evaluation results and the obligation of publishing.

II. Student applications and the order of selection

II.1. The principles of student applications

II.1.1. Persons meeting the following eligibility criteria may apply:

a.) full-age citizens, who are 18 years old by 31st August, in the year of the deadline for application, except for those applicants who apply for dance art study programmes. In the case of applicants
applying for dance art programmes, they need to submit parental declaration based on the relevant Hungarian regulation in order to act in the name of the minor

b.) citizens, who have high school certificate and send it until 1\textsuperscript{st} August of the year of the application the latest,

c.) citizens, who have recommendation signed by a Church from the List of Churches published in the Call for Applications.

II.1.2. Non-eligibility

Based on the 2.2 Non-eligibility section of the Call for Application the following applicants are not eligible to apply:

a.) persons granted a refugee status ("menekült"), persons enjoying temporary protection ("menekültes"), persons admitted for subsidiary protection ("oltalmazott") and persons granted humanitarian protection ("befogadott"),
b.) Hungarian citizens (including those with dual citizenships),
c.) those applicants, who are studying as self-financing students at a Hungarian University at the time of the application.

Please note that these requirements are not only for applicants but for Scholarship Holders as well; it means that e.g. if you obtain a Hungarian citizenship or a refugee status during your studies in Hungary, your scholarship holder status will be terminated automatically.

II.1.3. Applicants may apply exclusively to the study levels and study programmes which are indicated in the Call for Applications. It is possible to apply for foreign-language religious study programmes of any Higher Institute participating in the Stipendium Hungaricum Program if the Hungarian Education Authority has registered the course.

II.1.4. Applicants can choose max. one-one programme in max. two different institutions, specifying the priorities of their applications. This order of preference or any information of the application can only be changed in cases deserving special consideration after the submission of the application.

II.1.5. According to the 227/2018 (XII.5) Gov. Decree SCY, those applicants are entitled to receive a scholarship who:

a.) have the verified recommendation which was authorized by State Secretariat for the Aid for Persecuted Christians and Hungary Helps programme, and who sign a scholarship holder agreement after being awarded the scholarship and who have not yet received a scholarship on that level of studies in the programme,
b.) have the church recommendation issued by the Church acknowledged in a country having diplomatic relations with Hungary and defined in the Call for Application or who is awarded based on the special resolution of the Minister of Education – meeting the requirements of the procedure defined in the rules and regulations of the scholarship programme, in case the applicant is accepted to a funded study programme of a host institute taking part in the scholarship programme.

II.1.6. Missing application documents may be submitted beyond the deadline if the documents attesting the required qualifications or language proficiency are not available at the time of the application (e.g. the applicant to the bachelor programme has not yet graduated from secondary school or the applicant to the master programme has not yet received a bachelor degree). The deadline of submitting the missing documents is the same as deadline for the informing of the coordinator of the Hungarian higher education institution of the estimated date of arrival (III.1.5).
II.2. The order of the preparation and the announcement of the call for applications

II.2.1. The call for student applications is prepared by the unit of Tempus Public Foundation responsible for the Stipendium Hungaricum Programme on the basis of the 227/2018 (XII.5) Government Decree. The call contains the application requirements, the deadline of submitting the applications, the levels and study fields that can be applied for, the evaluation system, the amount of the scholarship and the obligations of the applicants who receive the scholarship. Consequently, the call for applications is sent to the State Secretariat for the Aid of Persecuted Christians and for the Hungary Helps Program for consultation. After taking the opinions into consideration, the finalized call for application is discussed and approved by the Board of Trustees of Tempus Public Foundation.

II.2.2. The SiH Unit sends the call for applications to the competent authorities and to the higher education institutions participating in the programme.

II.3. The order of the selection procedure

II.3.1. Applicants shall submit their applications on the specifically created website online.

II.3.2. The SiH Unit forwards the applications received by the application deadline to the State Secretariat for the Aid of Persecuted Christians and Hungary Helps Programme in order to verify the authenticity of the enclosed recommendations from the Churches.

II.3.3. The State Secretariat for the Aid of Persecuted Christians Hungary Helps Programme prepares the verification of the recommendations by the given deadline and sends it back to the SiH Unit.

II.3.4. The SiH Unit contacts the higher education institutions concerned and forwards the documents of students applying for the admission procedure, marking how the students ranked the institutions in their priority list. Only those 2nd place applications will be forwarded for admission procedure, which have not been accepted on the 1st place.

II.3.5. The institutions check the applications formally and conduct their admission procedures according to the Act on National Higher Education (ANHE) and their own internal regulations until the specified deadline. The final result of the procedure can be “acceptable”, “conditionally acceptable”, “rejected” or “rejected formally”. Only those students can be accepted conditionally who cannot present the documents proving their qualifications or language proficiency during the procedure due to other ongoing procedures.

II.3.6. The institution is not entitled to charge the applicants any fees for the admission procedure. The institution may finance the costs of the admission procedure from the tuition fees of the students admitted to the programmes.

II.3.7. The SiH Unit will allocate the acceptable and conditionally acceptable students according to the following criteria in the undermentioned sequence:

II.3.7.1. In the case of applicants who can be supported, the capacity of the programme must be taken into account on the basis of the institution’s previous statement (minimum and maximum capacity).

a) Derogation is allowed from the minimum and maximum capacity specified in the institution’s application according to the institution’s indication.

b) During the capacity examination, candidates with the higher ranking must be given priority and the admission exam scores will be decisive in case of equal ranking.
c) After the capacity examination, the applicants will be divided into a category of students recommended for support and another category of students to be regrouped due to capacity shortage.

II.3.7.2 Applicants who are to be regrouped due to a capacity shortage must be regrouped to the programmes specified as the second preferences in the student applications, if the applicant was admitted there and there is free capacity in that programme.

II.3.7.3. If the applicant who is to be regrouped does not even get into the category recommended for support as the second preference, the SiH Unit forwards the application with the admission exam results of the given programme to another similar programme at an institution funded by the programme, if there is free capacity there.

II.3.7.4. The application must be rejected, if the applicant who is to be regrouped cannot be given a free place in any of these programmes. This applicant must be replaced by the next nominee in the ranking from the group of students who originally applied beyond the capacities. In this case, the procedures described under points II.3.8.2 to 4 must be followed.

II.3.7.5. In case of doctoral studies, those applicants are granted privilege, who are already assigned a future supervisor who is a professor and researcher of a Doctoral School accredited in Hungary and upload a Letter(s) of Recommendation written and signed by this supervisor.

II.3.8 If the available funds are insufficient, the list of applicants belonging to the category recommended for support can be restricted according to the ranking of the nominated candidates.

II.3.9. SiH Unit summarizes the applicants and presents it to the Board of Trustees of Tempus Public Foundation. The Board of Trustees creates a proposal about the suggested list of scholarship holders and sends it to the the State Secretariat for the Aid of Persecuted Christians and Hungary Helps Programme. The awarding of the scholarships is made by the Minister responsible for (higher) education.

II.3.10. The SiH Unit informs the Prime Minister’s Office about the proposal of the Board of Trustees, the candidates for scholarship and the host institutions. The list of scholarship holders is sent by the SiH Unit to the Immigration and Asylum Office, the Consular Department of the Ministry of Foreign Affairs and Trade and the relevant embassies in order to facilitate their entry to Hungary.

II.3.11. After the decision on the allocation of scholarship holders is made, the location of the programme of the applicant can only be changed in justified cases (e.g. the programme is not launched), considering the sequence of applications, the capacity of the programmes and the available funding. If the order of preference cannot be taken into consideration, the original host institution of the scholarship holder may send the applicant to one of its other programmes participating in the programme with the consent of the applicant. The recategorization requires a decision from the SiH Unit.

II.4. Admission procedure for scholarship holders completing a Hungarian-language, music and technical preparatory programme and applying for specialisation programmes

II.4.1 Scholarship holders who successfully complete the higher education preparatory programme in Hungarian are entitled to mark one programme corresponding to the specialisation of the preparatory in up to two institutions until the given deadline.
II.4.2 The admission procedure is conducted by the institutions until the given deadline. The final results of the procedure and the evaluation of the entrance exam is recalculated on a point scale of 100 and sent to the SiH Unit. The final result of the procedure can be “acceptable”, “conditionally acceptable” and “rejected”. The minimum point that is required to achieve an “acceptable” or “conditionally acceptable” status is 56 points (on a 100 points scale). No applicants are entitled to receive a scholarship offer with an examination result below 56 points.

II.4.3 Scholarship holders are entitled to continue their studies in a programme which they are admitted to and which has a higher ranking in their applications. Enrolled students have a continuous scholarship holder status, it does not require a special decision by the Board of Trustees.

II.4.4 The scholarship holder status is terminated if the scholarship holder is not admitted to any of the programmes specified in his/her application after the preparatory programme.

III. Rules applying to scholarship holders

III.1. The acceptance of the scholarship (online)

III.1.1 Scholarship candidates indicate in the online system, whether they accept the scholarship and whether they provide further documents as their possible obligation under point II.1.6. Applicants who do not accept their scholarship by the deadline are qualified as withdrawn from the scholarship. Those applicants under 18 should upload a parental authorization document addressed to the coordinator of the chosen host institute in order to act and represent the minor when signing scholarship holder agreement, opening a bank account, getting visa or any kind of medical issues.

III.1.2 The applicant who was awarded the scholarship is entitled to enjoy a student status in the semester which s/he was admitted to as a result of the admission procedure, except if the scholarship holder’s request for postponement according to III.5.1 is approved.

III.1.3 The scholarship holder who does not enrol by 30th September (Fall Semester) and by 28th February (Spring Semester) at the latest or until the deadline given by the host institution loses his/her scholarship.

III.1.4 In a justified case, the scholarship holder is entitled to request the postponement of his studies with the scholarship until the deadline specified under III.1.3 with up to one year.

III.1.5. The scholarship holder must inform the coordinator of the Hungarian higher education institution of the estimated date of arrival at least 15 days in advance.

III.2. The monthly amount of the scholarship

III.2.1 The amount of scholarship paid to the scholarship holders is adjusted to the current financial standards of students according to the legislation in force, including Government Decree 51/2007 (26.03) on the benefits paid to and the fees to be paid by the students in higher education.

III.2.2. According to the legislation in force, on the issued date of this regulation (28.02.2019):

The scholarship for a full-time programme covers the full calendar year and is provided until the completion of the studies in the last year. The amount of scholarship is transferred by the higher education institution to the scholarship holder. The amount of the scholarship is HUF 128 520/person for scholarship holders in bachelor and master programmes. In doctoral programmes for those who started
their studies in the academic year 2019/2020, it is HUF 140,000/person/month in the first two years/during the training-research period and HUF 180,000/person/month during the second two years/cycle/the research-dissertation period.

The scholarship holders are entitled to have HUF 200,000 as reimbursement of their travel costs once a year, which is transferred by the higher education institution shortly after their arrival.

The visa administration and the extension of the residence permit is free of charge for scholarship holders (individuals who have the right to free movement and residence, as well as citizens of third countries who study in Hungary with a Hungarian government scholarship or with a regular study allowance from the minister responsible for education are exempt from paying administration service charges according to point 2) c) of paragraph 5 of the Decree 28/2007 /31.05/ of the Ministry of Justice and Law Enforcement on the charges of administration related to the entry and residence of individuals who have the right to free movement and residence, as well as the citizens of third countries).

Allowances provided for the scholarship holder:

a) exemption from paying tuition fees;
b) student hostel room/bed depending on the capacity of the higher education institution or HUF 40,000/month accommodation allowance for 12 months of the year during the whole period of full-time programmes;
c) health care services defined by point i) of section (1) of paragraph 16 of the Act 80/1997 on the Eligibility for Social Security Benefits and Private Pensions and the Funding for These Services, as well as the reimbursement of the costs justified in case of health care services in a foreign language (e.g. interpreting) and an additional insurance for health care services in a foreign language for up to HUF 65,000/year;
d) use of the services of the library free of charge;
e) in case of severe threat further allowance may be given to the scholarship holder by the minister of (higher) education in consideration of the circumstances and by principles of extraordinary equity. The scholarship holder needs to send a letter of request describing the reasons and circumstances of the severe threat, justifying the need for the complementary allowance and indicating the exact amount. The petition is sent to the minister of (higher) education, who makes a decision on awarding the allowance within 30 days.

III.2.3 The free of charge services available for students holding a scholarship for Christian Young People are regulated by paragraph 81 of the Act on National Higher Education.

III.2.4 The scholarship allowance contributes to one person’s costs of living and it does not provide either visa or additional benefits or administration services for the persons and family members who accompany the scholarship holder. The legal subject of the scholarship agreement is only the scholarship holder.

III.2.5 In addition, the scholarship holder must register in person at the international office of the host institution at the beginning of each semester. When a scholarship holder suspends his/her student status, no scholarship or accommodation allowance can be disbursed to him/her during the period of interrupting studies.

III.3 The duration of the scholarship period and its extension

III.3.1 The scholarship holders receive the scholarship during the full duration of their programme, for 12 months annually, but in the last year of completing the degree only until the last day of final exams period following the last semester of their study period. Accommodation allowance is due during the whole scholarship period.
III.3.2 The scholarship holder must habitually reside in Hungary during the study period, and the scholarship holders must inform the higher education institution if they do not stay in Hungary for a consecutive period of more than 10 days during the study period. If they miss to meet this requirement of giving information before leaving the country, the higher education institute has competency and right to decide about the termination of the student status, based on the provisions of IV.10.

III.3.3 If the scholarship holder cannot complete his/her studies within the duration of the programme, s/he may submit a request for extension to Tempus Public Foundation. The request for extension must arrive at least one month before the end of the last semester covered by the scholarship. The scholarship may be extended on no more than two occasions (extended by a semester).

III.3.4 Scholarship holders may extend their scholarship period in compliance with the effective Hungarian legislation during their bachelor (or one-tier) master programmes based on the provisions of 47.§ (3) of Act on National Higher Education for altogether maximum 2 semesters. The scholarship holder receives the same benefits during the extension period. The preparatory programme prior to the bachelor programme and specialisation programmes following bachelor and master programmes as well as part-time studies or doctoral programmes cannot be extended. The extension of the scholarship must be approved by Tempus Public Foundation. The following documents must be submitted to Tempus Public Foundation: a request signed by the scholarship holder, explaining why s/he needs the extension; the Hungarian higher education institution’s written approval about the extension. The scholarship holder must submit the request for extension with the compulsory annexes to the SH Unit online. The extension is judged by the SiH Unit based on the submitted documents and the available funds from the central budget. Requests which are not supported by the higher education institute cannot be supported. The scholarship holder must submit the request and gather the required documents on his/her own. The costs of the preparation and the submission of the scholarship holder request for extension and the process of extension (e.g. administration fees of the institution) are exclusively incurred by the scholarship holder. There is no possibility to file an appeal after the decision is made on the request for extension.

III.4. The scholarship agreement and its modification

III.4.1. The scholarship holder signs an agreement with the host institution according to the sample agreement in Annex 4 of the regulations.

III.4.2 The scholarship agreement must contain:

a) the duration of the studies specified in the qualification framework of the subject;

b) the monthly amount of the scholarship and the date, way and condition of disbursement;

c) the order of acceptance by another higher education institution;

d) the approval of data management;

e) the condition that the scholarship agreement comes into force on the date when the scholarship holder’s student status begins;

f) the order of interrupting higher education studies

g) the cases of student status termination.

III.4.3 The scholarship agreement is terminated – with the exception of the case in point a) of section 1) of paragraph 59 of the Act on National Higher Education – when the scholarship holder’s student status comes to an end.

III.4.4 The scholarship agreement can be modified with the accord of the parties, following the decision of Tempus Public Foundation. The agreement must be modified in all cases when its content is changed, e.g. change of major, extension or change of the study period.
III.4.5 The scholarship holder is obliged to establish and maintain a student status with the higher education institution indicated in the decision of admission during the period when the scholarship is disbursed according to the conditions of the scholarship agreement.

III.4.6 When the scholarship holder’s student status is terminated or interrupted, the scholarship as defined under III.2.2 cannot be disbursed.

III.5. Postponement of the enrolment
III.5.1. The scholarship holder may request a permission to start his/her studies in a later semester exclusively because of health issues or unexpected reasons through no fault of his/her own but only in particularly justified cases. The written request must be sent to the SiH Unit of Tempus Public Foundation by 30th September at the latest. The scholarship holder is allowed to start his/her studies in a later semester specified by the higher education institution based on the decision of the SiH Unit and if the host higher education approves the postponement.

III.5.2 The requests for postponement are decided on by the SiH Unit.

III.5.3 Those scholarship holders who have already arrived in Hungary and enrolled in a higher education institution are not entitled to request any postponement. A postponement can be requested only once and only for one school year as a maximum. The scholarship holder automatically loses the scholarship, if s/he does not indicate his/her intention of postponement by 30th September at the latest or until the enrolment deadline specified by the institution at the latest.

III.6. Interrupting studies
III.6.1 If the scholarship holder interrupts his/her studies during the study period according to the conditions specified by the study and examination regulations of the higher education institution, that semester is qualified as a passive semester and s/he is not entitled to receive the scholarship or the benefits of the scholarship for that semester. Tempus Public Foundation and the host higher education institution have no obligation concerning the support of the scholarship holder during this period.

III.6.2 Every issue related to the process of interrupting studies must be handled according to the provisions of the relevant Hungarian law in effect, as well as the study and examination regulations of the higher education institution.

III.6.3. The Hungarian higher education institution notifies the Immigration and Asylum Office and Tempus Public Foundation on the passive status of the scholarship holder within the time limit specified in the applicable legal regulations.

III.7. Changing host institutions, study programmes or/and language of studies
III.7.1. The host institution, the study programmes within the institution and the language of studies can be changed only once after submitting a special request by the scholarship holder. The deadline of submitting the requests to Tempus Public Foundation is 1 December (for Spring Semester) and 15 May (for Fall Semester) in every school year. The scholarship holder may change all three options above (in any kind of combination) at the same time, but only once during the scholarship period.
III.7.2 Institutions, study programmes and/ or languages can be changed only at the end of the semester, so that the scholarship holder could start the next semester in the new institution, new study programme and/ or language.

III.7.3 Institutions, study programmes and/ or languages can be changed only within one year after beginning the scholarship period leading to a university degree. The request – if it is relevant – must also include the extension of the scholarship period. The allocation decision regarding the scholarship holder at his/her entry to the programme and after the preparatory programme cannot be altered by the scholarship holder’s request to change institutions, study programmes except for point II.3.11. Changing host institution or study programme is allowed only on the same programme level.

III.7.4 Documents to be submitted for changing institutions, study programmes or language: a request signed by the scholarship holder, a letter of acceptance by the future host institution, a written approval by the present institution sent by the institution directly to SiH Unit. The scholarship holder must submit the request for changing institutions, study programmes or language with the compulsory annexes to the SiH Unit online.

III.7.5 The change of institutions, study programmes and/ or languages is judged by the SiH Unit based on the submitted documents and the available funds from the central budget.

III.7.6 The scholarship holder must seek a new programme or higher education institution and gather the required documents on his/her own. The costs of the preparation and the submission of the scholarship holder request for changing institutions, study programmes, and/ or language and the process of changing institutions, study programmes, and/ or language (e.g. administration fees of the institution) are exclusively incurred by the scholarship holder.

III.7.7 There is no possibility to appeal after the decision is made on the request for changing institutions, study programmes and/ or languages.

III.7.8 Pursuant to Section 52 of Government Decree 87/2015 (IV.9)., host institution, study programme and/or language may be changed from the end of the preceding term until 15 September for the autumn semester and until 15 February for the spring semester.

III.8. Withdrawal from the scholarship

III.8.1 If the scholarship holder withdraws from the scholarship after the application process or after being awarded the scholarship or renounces from the scholarship before the completion of his/her studies, s/he must immediately inform the SiH Unit of Tempus Public Foundation and the Hungarian higher education institution in writing.

III.8.2 The Immigration and Asylum Office is informed by the higher education institution about the withdrawal.

III.9. Double financing and other scholarships

III.9.1 The applicant is not eligible to receive the SCY scholarship in case s/he has another concurrent scholarship from the Hungarian central budget. If the scholarship holder was awarded more than one scholarship, s/he has to choose one of the scholarships and renounce from the other one.

III.9.2. The higher education institute may grant other, and / or social-based allowance to the scholarship holders at their own costs, which is above the social or performance-based institutional support.
Regarding the fact that the SCY scholarship covers studies in Hungary, the scholarship holder is not entitled to use financial support for doing programmes or partial studies outside Hungary, e.g. Erasmus + and CEEPUS, Campus Mundi, except for a short stay (not longer than 10 working days), participation at a conference related to research or studies funded by institutional source, and a stay that does not effect the requirement of habitual residency principle.

III.10. Termination of scholarship status

III.10.1. The scholarship status is terminated if:

a. student status is terminated,
b. the scholarship holder withdraws the scholarship in writing,
c. completed a degree on the relevant study level, on the last day of the first final exam-period following the last semester,
d. the scholarship holder has used up the awarded number of semesters and does not submit a claim for extension, or there is no possibility to ask for extension any more,
e. the scholarship holder cannot prove that he/she reside habitually in Hungary,
f. the scholarship holder does not arrive until the deadline of enrolment and does not declare his/her scholarship status,
g. the scholarship holder fails to submit in the missing documents until the deadline set by the institute,
h. if based on II.1.2. point, the scholarship holder becomes non-eligible (for example the scholarship holder is granted a refugee status (“menekült”), or enjoying temporary protection (“menekültes”), or admitted for subsidiary protection (“oltalmazott”) and persons granted humanitarian protection (“befogadott”), or is granted a Hungarian citizenship during the duration of the scholarship).

III.10.2. The institute may terminate the status of the scholarship holder by a unilateral declaration after consulting Tempus Public Foundation in the following cases:

a. if the student’s status of the scholarship holder is terminated based on section 59 of ANHE,
b. if the scholarship holder – unless there is another provision in the institutional regulation – does not meet the requirement of academic progress declared in the Academic and Examinations Regulation or in the curriculum; the scholarship holder does not obtain at least 18 credits on the average of the last two semesters where the student status was not interrupted. This requirement of minimum credit does not apply for the students of doctoral schools.

The higher education institute prior to the termination through unilateral declaration must:
- inform the scholarship holder and Tempus Public Foundation after the first semester of the improper performance of the above mentioned provisions and also must inform the scholarship holders of the consequences, i.e. if the scholarship holder does not obtain enough credits he/she will lose the scholarship at the end of next semester.

III.10.3. The provisions stated in III.10.1 do not apply to doctoral students.

The provisions of this section shall apply to students starting their scholarship status in academic year 2018-2019 and after.

III.11. Employment

Pursuant to the effective legal regulations, on the date of introducing these regulations (7 December 2016), pursuant to Section 20 (5) of Act II of 2007 on the Admission and Residence of Third Country Nationals, third-country citizens with residence permits for study purposes can pursue income earning
activities in full time for no more than 24 hours a week during study periods and for no more than ninety
days or sixty six working days outside study periods.

IV. Rules applying to institutions

IV.1. Obligations of reporting and supplying data

IV.1.1. The institution is obliged to send the data of SCY scholarship holders studying in that semester at
the institution to the Office of Immigration and Asylum and to the National Health Insurance Fund
through the Educational Authority in order to prepare their social security cards.

V.1.2. The institution keeps regular contact with Tempus Public Foundation.

V.1.3. The institution sends to the Public Foundation the list of enrolled scholarship holders by the 10th
day of the second month of each semester, where the institution indicates the costs of each scholarship
holder for the particular semester. The failure to submit the data supply within the time limit is a
limitation time limit, in which case the institution cannot claim any costs for the particular semester, but
must continue to pay the scholarship and other allowances to the scholarship holder. Based on equity
considerations, the institution may still accept scholarship holders arriving later due to any reason not
attributable to them (natural disaster, diplomatic crises, war events or force majeure), if the institution
informs the Public Foundation not later than 10 days after the scholarship holder has enrolled.

IV.1.4. The institution immediately informs Tempus Public Foundation in the following cases:
