# Résztevői portál

<http://ec.europa.eu/education/participants/portal/desktop/en/organisations/register.html>

The screenshot shows the 'Participant Portal' for the European Commission. The page title is 'Education, Audiovisual, Culture, Citizenship and Volunteering Participant Portal'. The breadcrumb trail is 'European Commission > Education & Training > Participant Portal > Register An Organisation'. The navigation menu includes 'HOME', 'ORGANISATIONS', 'EXPERTS', and 'SUPPORT'. There are 'LOGIN' and 'REGISTER' buttons. The main heading is 'Register an Organisation'. The content area contains the following text:

To participate in proposals and projects, you must register your organisation first.

After registration, a unique identifier is assigned to your organisation

This is the 9-digit **PIC (Participant Identification Code) number** that will be used as a reference by the Commission in any future interactions. A **single registration** is required for each organisation in the system.

**Please keep the legal data of the organisation and programme related information at hand.** You can check the information you will need for the registration in the documentation of the call for proposals. Please note that you have to register your organisation before submitting a project application.

**You can pause the registration process at any time and continue it later.** The system automatically saves your draft registration and will keep it until you complete it or for up to one year after its last edit.

At the bottom, there are two buttons: 'REGISTER ORGANISATION' (circled in red) and 'RESUME REGISTRATION'. Below the buttons is the text 'How to update your organisation data?'.

Applications for funding/applications for accreditation: partner management and access to application forms

## **IMPORTANT POINTS TO NOTE BEFORE YOU START**

### **Mandatory steps to be followed by ALL applicants (for funding and for accreditation)**

#### **ECAS authentication**

Access to all of the application options below is validated by ECAS, the European Commission's Authentication Service. Applicants must therefore have an ECAS account. If you do not yet have an ECAS account, click [here](#) to be directed to the ECAS website where you can create one.

#### **Organisation registration (PIC numbers)**

All organisations that seek to be included as a participant in a funding application or wish to apply for an accreditation, must first have registered in EACEA's Participant Portal. The registration system assigns a unique Participant Identification Code (PIC) to each organisation. If an organisation does not have a PIC number, it cannot apply for funding or apply for an accreditation. Click [here](#) to be directed to EACEA's Participant Portal. Access to the portal is validated by ECAS (see above).

### **Points to be noted and respected by applicants for funding ONLY**

#### **Organisation profile**

Some actions require a minimum number of participating organisations in order for the application to be considered eligible. Likewise, some actions require there to be representation from specific countries for the application to be considered eligible. Please carefully check whether any such rules apply to the funding opportunity you are applying under. If such rules do apply, you must respect those rules when building your list of participating organisations. If you have not respected the rules, you will receive an error message when the application eForm is created and you will have to start the entire process again.

#### **One uninterrupted session**

When you proceed with either of the funding application options below, you will be guided through a series of steps resulting in the creation of a new or updated application eForm. These steps are fully described in the User Guide. Please note that these steps must be completed in one continuous session. It is not possible to interrupt the activity and resume it at a later time. If you close the browser window in which you are working or if you close the browser entirely, you will lose the data you have entered and will have to start again. Please therefore ensure you have all necessary PIC numbers AND have checked the rules for the organisation profile BEFORE YOU PROCEED.
