## **ARTICLE II.14 – SUSPENSION OF THE IMPLEMENTATION OF THE PROJECT**

### **II.14.1 Suspension of the implementation by the beneficiaries**

The coordinator, on behalf of the beneficiaries, may suspend the implementation of the Project or any part thereof, if exceptional circumstances make such implementation impossible or excessively difficult, in particular in the event of *force majeure*. The coordinator shall inform the NA without delay, giving all the necessary reasons and details and the foreseeable date of resumption.

Unless the Agreement or the participation of a beneficiary is terminated in accordance with Articles II.15.1, II.15.2 or points (c) or (d) of Article II.15.3.1, the coordinator shall, once the circumstances allow resuming the implementation of the Project, inform the NA immediately and present a request for amendment of the Agreement as provided for in Article II.14.3.

### **II.14.2 Suspension of the implementation by the NA**

**II.14.2.1** The NA may suspend the implementation of the Project or any part thereof:

- (a) if the NA has evidence that a beneficiary has committed substantial errors, irregularities or fraud in the award procedure or in the implementation of the Agreement or if a beneficiary fails to comply with its obligations under the Agreement;
- (b) if the NA suspects substantial errors, irregularities, fraud or breach of obligations committed by a beneficiary in the award procedure or in the implementation of the Agreement and needs to verify whether they have actually occurred.

**II.14.2.2** Before suspending the implementation the NA shall formally notify the coordinator of its intention to suspend, specifying the reasons thereof, and, in the cases referred to in points (a) of Article II.14.2.1, the necessary conditions for resuming the implementation. The coordinator shall be invited to submit observations on behalf of all beneficiaries within 30 calendar days from receipt of this notification.

If, after examination of the observations submitted by the coordinator, the NA decides to stop the suspension procedure, it shall formally notify the coordinator thereof.

If no observations have been submitted or if, despite the observations submitted by the coordinator, the NA decides to pursue the suspension procedure, it may suspend the implementation by formally notifying the coordinator thereof, specifying the reasons for the suspension and, in the cases referred to in points (a) of Article II.14.2.1, the definitive conditions for resuming the implementation or, in the case referred to in point (b) of Article II.14.2.1, the indicative date of completion of the necessary verification.

The coordinator shall inform the other beneficiaries immediately. The suspension shall take effect five calendar days after the receipt of the notification by the coordinator or on a later date, where the notification so provides.

In order to resume the implementation, the beneficiaries shall endeavour to meet the notified conditions as soon as possible and shall inform the NA of any progress made in this respect.

Unless the Agreement or the participation of a beneficiary is terminated in accordance with Articles II.15.1, II.15.2 or points (c) or (i) of Article II.15.3.1, the NA shall, as soon as it considers that the conditions for resuming the implementation have been met or the necessary verification, including on-the-spot checks, has been carried out, formally notify the coordinator thereof and invite the coordinator to present a request for amendment of the Agreement as provided for in Article II.14.3.

### **II.14.3 Effects of the suspension**

If the implementation of the Project can be resumed and the Agreement is not terminated, an amendment to the Agreement shall be made in accordance with Article II.11 in order to establish the date on which the Project shall be resumed, to extend the duration of the Project and to make any other modifications that may be necessary to adapt the Project to the new implementing conditions.

The suspension is deemed lifted as from the date of resumption of the Project agreed by the parties in accordance with the first subparagraph. Such a date may be before the date on which the amendment enters into force.

Any costs incurred by the beneficiaries, during the period of suspension, for the implementation of the suspended Project or the suspended part thereof, shall not be reimbursed or covered by the grant.

The right of the NA to suspend the implementation is without prejudice to its right to terminate the Agreement or the participation of a beneficiary in accordance with Article II.15.3 and its right to reduce the grant or recover amounts unduly paid in accordance with Articles II.18.4 and II.19.

Neither party shall be entitled to claim compensation on account of a suspension by the other party.

## **ARTICLE II.15 – TERMINATION OF THE AGREEMENT**

### **II.15.1 Termination of the Agreement by the coordinator**

In duly justified cases, the coordinator, on behalf of all beneficiaries, may terminate the Agreement by formally notifying the NA thereof, stating clearly the reasons and specifying the date on which the termination shall take effect. The notification shall be sent before the termination is due to take effect.

If no reasons are given or if the NA considers that the reasons exposed cannot justify the termination, it shall formally notify the coordinator, specifying the grounds thereof, and the Agreement shall be deemed to have been terminated improperly, with the consequences set out in the fourth subparagraph of Article II.15.4.

For the purposes of points (f), (h) and (i), "any related person" shall mean any natural person who has the power to represent the beneficiary or to take decisions on its behalf.

**II.15.3.2** Before terminating the Agreement or the participation of any one or several beneficiaries, the NA shall formally notify the coordinator of its intention to terminate, specifying the reasons thereof and inviting the coordinator, within 45 calendar days from receipt of the notification, to submit observations on behalf of all beneficiaries and, in the case of point (c) of Article II.15.3.1, to inform the NA about the measures taken to ensure that the beneficiaries continue to fulfil their obligations under the Agreement.

If, after examination of the observations submitted by the coordinator, the NA decides to stop the termination procedure, it shall formally notify the coordinator thereof.

If no observations have been submitted or if, despite the observations submitted by the coordinator, the NA decides to pursue the termination procedure, it may terminate the Agreement or the participation of any one or several beneficiaries by formally notifying the coordinator thereof, specifying the reasons for the termination.

The coordinator shall have 60 calendar days from the date when the termination of the Agreement takes effect, as provided for in Articles II.15.1 and II.15.3.2, to produce a request for payment of the balance in accordance with Article I.4.3 . If no request for payment of the balance is received within this time limit, the NA shall not reimburse or cover any costs which are not included or which are not justified in the interim or final reports approved by it. In accordance with Article II.19, the NA shall recover any amount already paid, if its use is not substantiated by interim or final reports.

Where the participation of a beneficiary is terminated, the beneficiary concerned shall submit to the coordinator a report on the implementation of the Project and, where applicable, a financial statement covering the period from the end of the last reporting period according to Article I.4 for which a report has been submitted to the NA to the date on which the termination takes effect. The documents shall be submitted in due time to allow the coordinator to draw up the corresponding payment request. Only those costs incurred by the beneficiary concerned up to the date when termination of its participation takes effect shall be reimbursed or covered by the grant. Costs relating to current commitments, which were not due for execution until after the termination, shall not be taken into account. The request for payment for the beneficiary concerned shall be included in the next payment request submitted by the coordinator in accordance with the schedule laid down in Article I.4.
