

2017 INDONESIAN ARTS AND CULTURE SCHOLARSHIP GUIDANCE

(6 May – 19 August 2017)

A. BACKGROUND

The Indonesian Arts and Culture Scholarship (IACS) has been conducted since 2003 and was initially offered to and participated by member countries of the South West Pacific Dialogue (SwPD); Australia, New Zealand, Papua New Guinea, the Philippines, Timor-Leste, and the host Indonesia.

Bearing in mind the significance and advantages obtained from the program, the scholarship was expanded over the years to include member countries of ASEAN, ASEAN+3, PIF countries, as well as many countries from all regions in the world. In 2017 the participants of the scholarship will include participants from MIKTA countries (Mexico, Indonesia, South Korea, Turkey and Australia). In the period of 2003 to 2016, the scholarship has been awarded to 718 alumni from 63 countries.

Due to the limited space and the vast amount of interest in the program, the Ministry of Foreign Affairs of the Republic of Indonesia in cooperation with Indonesian Embassies and Consulates overseas, hold a series of selection process. Taken into considerations are, among others, the awardees' background, gender, regional representation and the interest to learn Indonesian culture.

In order to deepen the awardees' understanding of Indonesia, and to enhance their appreciation to Indonesian art and culture, the 12 (twelve) awardees will learn about the new Indonesia in the learning centre in one of universities in Yogyakarta for the duration of approximately 3 (three) months.

Awardees will live within or around the learning centre/university, allowing for the chance to experience the local heritage and interact with the local community. Synergy between theory and practices shared inside and outside the learning centre would undoubtedly become the driving force for shaping international cultures and norms, and will eventually strengthen regional as well as global understanding and cooperation at a people-to-people level.
