

A digitális tér, mint a nemformális tanulás lehetősége

Nádori Gergely – AKG, TanárBlog

A close-up photograph of a brown bear cub resting its head on a weathered wooden post. The cub has thick, dark brown fur and a lighter, almost white muzzle. Its eyes are closed, and it has a very sleepy expression. The background is out of focus, showing a grassy area and a body of water. A semi-transparent black box with white text is overlaid on the lower left portion of the image.

„Annyira unalmas, hogy még beszélni róla is unalmas.”
