Europe for Citizens 2014-2020

Strand/category	Strand 2. Democratic engagement and civic participation. Network of towns.
Deadline	March, 1 st of 2018

Organization

Name	City Council of Santillana del Mar, Cantabria (Spain).
Short description	The global idea of the project is to promote, using social technologies and networks, intercultural dialogue and understanding among European citizens.
Contact details	Paz.diaz.nieto@opecantabria.es

Project

Field(s)	Encourage democratic and civic participation of citizens at Union level, by developing citizens' understanding of the Union policy making-process and promoting opportunities for societal and intercultural engagement and volunteering at Union level. New Technologies in rural context.
Description	The current proposal aims to promote the use of social technologies and networks as a key element (this will be an important mechanism to ensure the participation of young people)
