## **ERASMUS+ COURSES AND JOB-SHADOWING IN TENERIFE**

We´d like to offer our collaboration as hosting organization. Could you please put us in contact with the person responsible for Erasmus+ projects in your institution?

About us: TENERIFE COURSES is a consortium of non-profit organizations and educational professionals at that organize KA1 Erasmus+ courses and job-shadowing visit in Tenerife, Canary Islands, Spain.

We organize courses and job-shadowing visits on:

- interculturality,
- diversity,
- active learning methodologies,
- drama and theater,
- creative teaching techniques,
- gender equality,
- STEM and science,
- environmental aspects,
- soft skills etc.

For now, we have available spots for these courses:

- Interculturality, experiential learning and preventing ESL– 19th - 23rd of August
- Active citizenship - beginning of September
- Theater techniques/ Drama in school - beginning of October
- Soft skills, 14-18th October
- Sustainable lifestyles - 28th October - 1st of November

For groups of min 6-8 teachers from the same institution we organize tailor-made courses based on your specific needs.

Our methodology is based on active learning and it is highly participative and practical. We teach Experiential learning, Collaborative learning, Art-based learning and Garden-based learning.

About Tenerife: it is the “eternal spring” island with warm temperatures all year round and high biodiversity, national and natural parks and UNESCO World Heritage city, San Cristobal de La Laguna.
